Jalalpur, Ambedkar Nagar

Akhilesh Shukla

Principal

We have always been committed to create an environment for individual thinking and holistic development of the child's personality.

The year 2023 commenced on a good note when the results of 10th and 12th classes were declared. In class XII, out of 519 students, 35 students got more than 90% marks whereas 135 students secured marks between 80-90%. Master Ayush Singh 96.6%, Aditya Patel & Kulsum Zahra 96% brought honor to school. The overall pass percentage of class XII was 98%.

In class 10th out of 483 students 64 students got more than 90% marks. Master Ayush Dixit outshone with 97% marks. The overall pass percentage of class XII was 99%.

Excellence in academics is the hallmark of any good institution and classes 10th and 12th results of the school prove that our students made us proud.

Apart from Inter House sports competition, our students participate in sports competitions organized by CBSE & SGFI.

Our students brought laurel to school by lifting Championship Trophy in CBSE cluster V Athletics championship in Varanasi, grabbing 22 medals (7gold, 8 silver & 7 bronze), whereas, Judo team lifted East Zone Judo Championship Trophy at Patna snatching 33 medals (11gold, 7 silver & 13 bronze medals).

Cocurricular Activities:

To develop a child physically, morally, socially and mentally and to hone their skills in co- scholastic areas, Inter House competitions are held in which the students participate and display their mettle.

Educational Visits

Under educational visits, this year our students visited Lucknow, Agra & IIT Kanpur. Such visits act as a catalyst to think out of box and broaden outlook of students to reach out for information beyond the text books.

Staff Development

To keep our teachers tuned up with latest development in the field of education and upscale their skills, we organize capacity building programs for our faculty in collaboration with Center Of Excellence CBSE Prayagraj and In House Training programs.

Infrastructure

Lately, we have got our computer lab for primary classes renovated. Upgradation of Computer lab for Sr students with computer base test (CBT) facility and induction of language lab are in process.

“Don't tell us sky is the limit when there are footprints on the moon”!

Thank you.
